Typhoon (ISP) Wessex Mk8 SOLAS Immersion Suits

Date of Issue: **25th October 2021**

Date of Expiry: **21st October 2024**

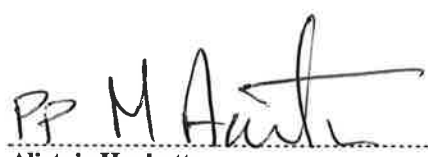

The certificate is only valid while the service station has a current servicing agreement and certificated technician, with Ocean Safety Ltd and/or Revere Survival Inc. Typhoon International Ltd

Signed on behalf of Ocean Safety Ltd:

Steve Bockett

Training & Technical Services Manager

Alistair Hackett

Managing Director

While all due care and skill exercised in carrying out this assessment, Ocean Safety Ltd is not responsible for negligence on behalf of the holder. This certificate remains the property of Ocean Safety Ltd and can be revoked at any time subject to formal notification and must be surrendered on request. It is the responsibility of the holder to ensure a valid certificate is held by a technician conducting the work. This certificate is only valid whilst the Service station has a current agreement with the manufacturer.

Certification administered by: Ocean Safety Ltd, Saxon Wharf, Lower York Street, Southampton, SO14 5QF UK
